RE: CHIMA'S STRATEGIC PLAN

Dear SHIMA Members:

Please find attached a copy of a presentation along with Focus Group questions that were presented to the Presidents of the provincial associations as part of our NHIMA meeting November 10, 2010. CHIMA is planning to launch a new strategic plan in response to recent surveys conducted with the membership in past years as well as to our changing work environment and profession. It is very important to CHIMA to have the input of the members. Therefore they are asking that members read the attached report along with the questions at the end. You will note that following the Focus Group questions there are collated responses from the NHIMA members. We are hoping that by reading the report along with the collated responses from the provincial presidents this will generate more ideas and responses from members like you.

Please email any ideas/responses to the attached to strategic.plan@echima.ca. Responses are requested to be forwarded no later than December 17, 2010.

If you have any questions or concerns regarding this please contact me by email at Kathy.braaten@saskatoonhealthregion.ca.

Thank you for taking the time to review and respond to this very important information and initiative from our national association.

Sincerely yours,

Kathy Braaten,
President, SHIMA

P.S. Please cc myself at the above email address when sending your responses. Thanks!
